

PRIVACY STATEMENT

RMED collects data from you through our interactions with you and through correspondence. This correspondence may be in person or by electronic means. You provide some of this data directly and we obtain some of this data through correspondence with you. The data we collect depends on the context of your interactions with us and the extent of our services provided. We may also obtain data about you from third parties.

When we ask you to provide personal data, you may decline. However, many of the services we provide require you to provide the required data. Likewise, where we need to collect personal data by law or to enter into or carry out a contract with you and you do not provide the data, we will not be able to enter into the contract with you or provide the service to you.

RMED uses the data we collect to provide you with valuable economic opportunities either directly or through helping you establish relationships with third parties. In particular, we use your data to provide our services, make recommendations, communicate with third parties and improve our services.
